BRINGING HOME INTERIORS TO LIFE.

The new **VION** Décor Interior Film range is suitable for use on walls, doors, cupboards, tables or other furniture. Wrapping is a simple and cost effective solution to refresh, customize and upcycle furniture and surfaces. These entry level films are perfect for simple flat applications, where budgets are tight.

Architextural, part of William Smith Group 1832 are stockists and trade suppliers of all architectural and building related films. Transform decor both inside and out, or solve glazing issues with solar and security window films.

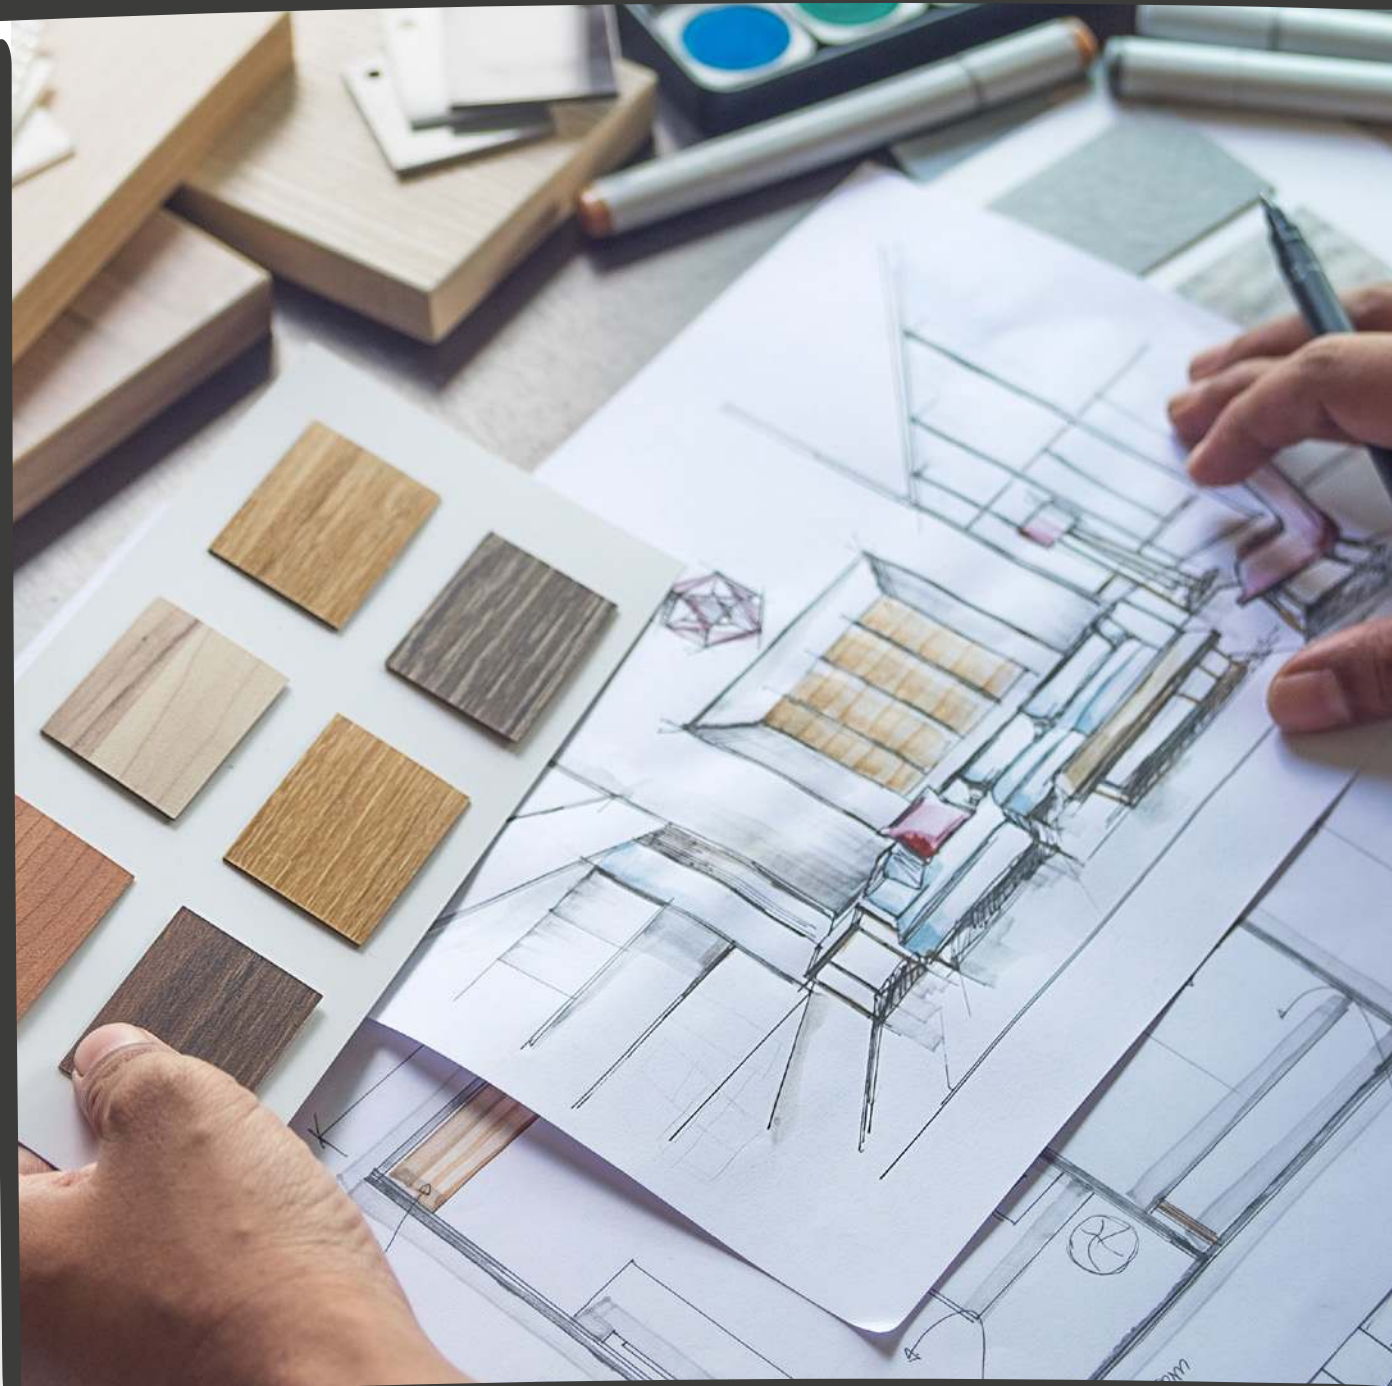

With the largest stock of architectural films in the UK, you have access to hundreds of alternative self-adhesive surface options for your design projects.

Our fully trained and high quality installation network can wrap existing fixtures, fittings, furniture within bars, hotels, restaurants, retail or any commercial environment.

VION®

HOME REDECORATION MADE EASY.

Ideal for redecoration of interior surfaces in a choice of 25 colours and finishes. The new Interior Film range is available in a range of key on trend finishes including wood grain, fabric, colour, glitter, marble and concrete.

MAKING HOMES INDIVIDUAL.

Interior wrapping is the easy way to rejuvenate the home. From kitchen refurbishments to feature walls and surfaces, you can really get creative with this interior film range.

HIGH QUALITY TRANSFORMATIONS, LOW COST BUDGET.

The perfect upcycling solution when budgets are tight. Suitable for 2D applications and with flat or slightly curved surfaces only.

Easy application features:

- Cutting grid on the reverse liner makes application even easier
- Warm gently on flat or slight curved surfaces using a heat gun
- Wipe clean hygienic surfaces
