

William Smith Vehicle Wrapping

FAQs

William Smith

Which vehicle wrap film brands do you stock?

Vehicle wrap brands in our portfolio include:

3M

**AVERY
DENNISON**

ARLON

iSEE2

You'll never have to hold stock again!
Our giant new warehouse gives us the space to hold
much higher levels of stock than ever before.

What sizes do vehicle wrap films come in?

Digital print wrap films are available in the following roll sizes:

1372mm or 1524mm width, 25m or 50m length

1370mm or 1520mm width, 25m or 50m length

1370mm or 1520mm width, 22.86m, 45.72m or 50m length

Colour change wrap films are available to order by the metre or in the following roll sizes:

1524mm x 25m

1524mm x 50m

Which film would you recommend for ease of application?

For an adhesive that allows the vinyl to glide over the vehicle's surface, look for a wrap film from our portfolio with any of the following repositionable features:

3M

Controltac™

Repositionable and Slideable™ (RS)

FLITE Technology™

Which films do you guys
sell with air release?

You have some great options for films with air release liner technology.

Look for the following vinyl features to help with this:

3M

Micro Comply™

Easy Apply™ (EA)

X-Scape Technology®

ACT

What level of
conformability do I need
from a wrap film?

This will depend on the type of vehicle you are wrapping and the type of recess; deep (U shaped), shallow (single step) or flat panel.

Download our new Material Selection Quick Guide to help you choose the perfect vinyl for your application,

Do you stock a wide range
of coloured wrap films?

We hold stock of ALL 3M™ Wrap Film Series 2080 and 1080 colours, as well as ALL Avery Dennison® Supreme Wrapping Film colours.

Finishes include:

GLOSS

MATT

SATIN

PEARL

SPARKLE / DIAMOND

METALLIC

BRUSHED METAL

CARBON FIBRE

CHROME

COLORFLOW / FLIP

What type of digital print wrap films do you have?

We stock a wide range of digital print wrap films for all application types – whatever you need, we have a film for the job!

OPAQUE

CLEAR

METALLIC

REFLECTIVE

NON-PVC

You can also choose films for low energy surfaces or stainless steel applications; we even have ultra-removable options.

Can I train with you?

Yes; our state-of-the-art training Academy offers a range of courses including a monthly, two day vehicle wrap course.

We also hold regular, free WrapShops and events around the UK – check out our calendar to see what's on.

williamsmith.co.uk/training

Do you have
application guides?

All our resources are available online for
reference 24 hours a day.

From product bulletins and how-to videos, to hints and
tips and datasheets, it's all there.

williamsmith.co.uk/resources

Can I get swatches
and samples?

Yes, we offer a full sampling service and swatches are available to purchase.

We also sell colourboards so you can display colour ranges to your customers.
