SMITH

ARCHITEXTURAL[™]

By working with William Smith Group 1832 you are tapping into one of the UK's leading specialist trade suppliers of vinyl films to the sign, graphics and building interiors industries.

You can rely on a rich history of trade sign manufacturing too.

The products we sell allow you to shape the displays that inform us, the signs that guide us and the interiors that move us.

From shop fronts to road signs, vehicle liveries to floor graphics, wall coverings to window films, your finished products will be seen by millions of people every day.

Our aim is to build partnerships; placing high standards on everything we do, allowing you to provide the best service and outcome possible to your customers.

service"

"Large film
range"

We've got it covered.

One of the UK's largest trade suppliers of leading brand materials to the sign and graphic industry.

WILLIAM SMITH

As a trusted partner and leading trade supplier to the signs and graphics industry, we offer one of the largest material supply services in the UK.

We stock a wide range of films and accessories from leading brands including 3M, Avery Dennison, Arlon, VION, Contra Vision, Cover Styl', Squid and R Tape; giving our customers the ultimate choice of premium brands for more applications than ever before.

Our next day delivery service, with same day despatch is available up to 6pm as standard. Plus, our giant warehouse gives us the space to hold much higher levels of product, meaning you'll never need to hold stock again!

Draw from our vast wealth of knowledge and technical knowhow. All our highly trained and knowledgeable staff understand vinyl, we work with it on our shop floor every day so fully appreciate the needs of our customers.

Whatever your application, we have a film for the job!

Trade sign & graphic materials.

PRODUCT RANGE

Select the perfect film for your project, whatever the budget, from our broad portfolio of premium, leading brands.

Whether you need a short-term vinyl for promotional use, or a long-term graphic application, we can help find the right film for you. From conformable cast options for vehicle wraps or calendered films for flat panel applications, to specialist products for walls, windows or floors.

To complement this service, we can also supply you with an extensive range of high-performance tools and accessories used to assist and simplify the way in which films are applied and removed.

DIGITAL PRINT FILMS

A huge selection of films for short, intermediate and long-term applications, including wall, floor and window graphics.

COLOURED FILMS

A variety of opaque and translucent films for short, intermediate and long-term applications.

VEHICLE WRAP FILMS

A range of cast and calendered films for digital print, colour change and detailing, plus films for protection and automotive window tint films.

WINDOW FILMS

As Master Distributer of 3M™ Window Films, we stock a range of films, from decorative and perforated options, to solar and security films.

REFLECTIVE FILMS

From vehicle conspicuity tapes and reflective signage films, to traffic overlay films and hazard warning tapes – we have the reflective film for you!

TOOLS AND ACCESSORIES

All these provide solutions to the many challenges faced by our customers during the manufacturing, fitting, or application process.

SMITH

As a leading trade-only supplier of sign and display products, with almost 200 years of manufacturing expertise, we are a trusted partner and here to meet your business needs for Commercial and CE Marked Traffic Signage, plus Chapter 8 Chevron Kits.

A family run business, our heritage in manufacturing goes back over 190 years. Our craftsmen are constantly thinking up new ideas and always have a pen ready behind their ear. As the UK's oldest signmaker, our attention to detail and dedication to customer service are as much a part of our DNA as the generation that shaped it.

Makers since 1832.

PART OF WILLIAM SMITH GROUP 1832

PRODUCT RANGE

Our extensive product range is aimed at satisfying your requirements. Whether it is illuminated or non-illuminated commercial signage, CE Marked Traffic Signage, or Chapter 8 Chevron Kits; we have got it covered.

BUILT-UP LETTERS

Fabricated in-house and available in many different variants including Classic 3D, Rim and Return, Halo Illuminated, Face Illuminated and Cabochon (fairground) Lighting.

TRAY SIGNAGE

Fabricated to specification, Tray Signage is available with Fret-Cut Lettering, Halo Illumination, Push-Through Lettering, Stand-Off Lettering, or a mixture of all four.

TRAFFIC SIGNAGE

All manufactured Traffic Signage products are CE compliant and meet European regulations. Did you know? We manufactured the first 'real' road sign in 1930.

BESPOKE FABRICATION

Need a signage product which could be described as 'unconventional' or 'out of the ordinary'? Not a problem, speak to a member of the Smith team to find out how we can help.

FLAT CUT LETTERS

A cost-effective solution when it comes to signage, these can be manufactured out of various materials including aluminium, composite, foamex and Opal acrylic.

PROJECTING SIGNAGE

Fabricated with strength integrity in mind, our Projecting Signage is manufactured out of aluminium and is available with a choice of Fret-Cut, Push-Through or Stand-Off Lettering, plus Halo Illumination.

WAYFINDING SYSTEM

Manufactured in-house we have a number of wayfinding systems available for both internal and external use, these include Post and Panel, Slat Signage and the STYLOS Fingerpost, tried and tested since 1989.

SIGNAGE COMPONENTS

A large selection of 'off the shelf' components are available and can be delivered within 24 hours from the point of order. Components include sign blanks, back-to-back clips, posts, caps and many more.

CHEVRON KITS

Available with same day despatch when ordered before 12pm, all our Chevron Kits are manufactured to Chapter 8 specification. Our extensive portfolio of templates covers all popular commercial vehicle types.

ARCHITEXTURAL™

ARCHITEXTURAL

Architextural are stockists and trade suppliers of all architectural and building related films. Transform decor both inside and out, or solve glazing issues with solar and security window films.

You have access to hundreds of alternative self-adhesive surface options for your design projects. Our high quality installation network can supply and wrap existing fixtures, fittings, furniture within bars, hotels, restaurants, retail or any commercial environment.

Wrap any surface virtually anywhere in your next refurb project as an alternative and sustainable budget option - with no need to rip out and replace fixtures and fittings and send to landfill. Simply recover substrates with film to transform any commercial space.

ARCHITEXTURAL™

PRODUCT RANGE

Transform decor both inside and out, or solve glazing issues with solar and security window films.

You have access to hundreds of alternative self-adhesive surface options for your design projects. Our high quality installation network can wrap existing fixtures, fittings, furniture within bars, hotels, restaurants, retail or any commercial environment.

3M DI-NOC

Premium architectural films designed to wrap any surface virtually anywhere in over 1000 patterns, textures and effects that look and feel like real life wood grains, fabrics, metallic and stone finishes. Specialist Exterior, Abrasion Resistant, Matt ranges available.

COVER STYL'

Budget option architectural film that can be applied onto various surfaces including walls, wood, plastic, metal, glass and tiling to provide an authentic texture at a much lower price. Over 800 complementary finishes available to meet all your interior design requirements.

VION DECOR WINDOW FILMS

A range of high quality polyester decorative window films, ideal for internal application to customise windows and glass partitions. Perfect for privacy, decorative and architectural applications in a selection of 40+ pre cut patterns to style glass.

SQUID

Revolutionary self-adhesive window fabric is easy to apply and ideal for privacy and decorative applications within office spaces and residential homes as well as commercial hotel and retail environments.

AVERY DENNISON FACADE

A premium, quality conformable cast film with high adhesion onto difficult building exteriors as an excellent alternative to paint. Ideal for commercial and residential refurbishments.

3M WINDOW FILMS

Safety and Security Window Films can be used to help to protect a building, its occupants and contents. Solar Window Films can also allow views and natural light into a building, whilst protecting against the negatives effects of the sun from heat gain, fading and UV protection.

VION DÉCOR INTERIOR FILMS

A range of PVC-free architectural films suitable for flat and simple curved applications. Can be applied to walls, doors, cupboards, tables, and other furniture. Available in a range of 25 unique colours and finishes.

AVERY DENNISON ORGANOID NATURAL SURFACES

A truly unique range of PVC-free architectural films made from 100% natural materials. Organoid is unlike any other product on the market, designed to enhance the sensory experience of any space. The range includes 4 solid and 3 transparent finishes.

DECAL ALL DÉCOR 2D

A printable range of PVC-free architectural films suitable for flat application only. Ideal for commercial and residential spaces, the range includes wood, cement, stone, metal, and leather finishes. The Polypropylene films have been specially designed to allow for UV, LED, and Latex printing.
